CLIENT'S REVIEWS

 ★★★★★ 5.00 Nov 1, 2022 - Nov 15, 2022 
"I hired Julius to help with some webmaster and Wordpress projects. His communication is excellent and the work performed is top quality. I appreciate Julius continually following up with questions and updated to ensure the project moves along smoothly."

 ★★★★★ 5.00 Jul 13, 2022 - Jul 14, 2022 
"Great experience working with him, quick to problem solve, and very responsive!"

 ★★★★★ 5.00 May 26, 2023 - Jun 16, 2023 
"It's been easy, fast, simple and successful! Highly recommend!"

 Julius is just the right guy to help you with your WordPress website and what makes it even great is that he has a strong background in design and SEO...

 Julius was amazing at taking my limited direction and creating an amazing website for me. He was timely in his editing and made sure I was completely satisfied every step of the way...

 Julius is a very hardworker virtual assistant, he helped me build my website from scratch. He knows how to reach the desired outlook and objective by multiple ways which always amazes me...

 Julius Kenneth Castillo has worked for us on our Web projects Drikkeut.no and Drikkeutshop.no He has done an excellent job and fulfilled all the tasks he was given 100%...

 Excellent work re-configuring a site from one theme to another. Would hire again.

 Julius Kenneth Castillo is hard working, honest and very helpful with your website needs. I am very grateful to him and I highly recommend him...

 It has been an absolute pleasure working with Julius! His sincere dedication and passion for helping me with what really moves the needle in my business are quite commendable...
